Volunteers Needed

For those that have been helping us tremendously at Clancy's ..
THANK YOU!!

We are always looking for volunteers to help bartend during the week Tuesday through Friday and on UTA weekends.

The days we don't have any volunteers, Clancy's will be closed. We are trying to make the effort to have it open for you as much as possible, but we also need the help.

If you are interested in joining the Clancy's Advisory Council and helping out during the week or UTA weekends, let TSgt Daisy Andino know and she will get you all the details.

Remember, this is your club!

If you have any ideas or suggestions, contact one of your Clancy's Officers.
