There is currently one provider located in Harrisburg and the program plans to expand to additional locations in the near future. Child care providers are state certified and approved by Child Care Aware.

Parents can drop off their kids at the provider as early as 6:30 a.m. and must pick them up by 5 p.m.

For more information or to sign up, Airmen can go to a first sergeant or contact 1st Lt. Leslie Knight who is in charge of this program.

Forms must be filled out no later than the Tuesday before the next drill weekend.

### Help with keeping track of points

Guardsmen, did you know that your point credit summary should be reviewed yearly? To assist with that, a new procedure, which began in March, includes an email notice sent 90 days before the closeout of an individual's retention/retirement year.

Upon receiving this email, within 90 days Airmen are reminded to request any point corrections needed and complete any participation required for a good year.

Airmen may view participation points through the virtual Military Personnel Flight and request any corrections using vPC-GR.

It is a four-person scramble format and proper golf attire is required. There will be awards for first, second, and third place and contests for longest drive, 50/50, closest to pin, putting challenge, and power drive.

See the Wing Bulletin Board for the event registration form.

### FREE Pocono Raceway tickets

The great folks at the Pocono Raceway have given the Airmen of the 193rd free race tickets for the GoBowling.com 400 NASCAR Spring Cup Series Race, Sunday, Aug. 3. The race is slated to begin at 1 p.m.

The requirements are as follows:

1. The military member must attend the event. They can take up to seven guests so they will have a total of 8 tickets counting themselves.
2. The military member does NOT have to wear a uniform to attend but will have to show ID if requested.
3. If you find you cannot use the tickets contact the POC listed and they will redistribute them to someone on the waiting list.
4. If you take tickets and do not show up the entire unit suffers because next time our ticket allocation will be reduced by the number of tickets not used.

5. New for this year, the POCs must maintain a spreadsheet of who tickets are given to (by ticket number) so the track can be advised of individuals that do not use their tickets. They are tracking it at the raceway.

6. Tickets are not to be sold, traded, or used for any form of fund raising event.

If interested in tickets, please contact Senior Airman Claire Behney, in FRG, during the week or 1st Lt. Leslie Knight, in FSS, during drill.

### Theater of War event scheduled

The Theater of War: Soldiers and Citizens Tour presents dramatic reading of Sophocles' Ajax – an ancient Greek tragedy about the suicide of a great, respected warrior – to diverse military and civilian audiences in order to engage communities in powerful town hall discussions about the visible and invisible wounds of war. The presentations are intended to foster understanding and compassion, while mobilizing citizens and resources to help improve the lives of service members, veterans, and their families and communities.

The event occurs Aug. 7 from 6 to 7:30 p.m. in building 8-80, 166th Regional Training Institute, Fort Indiantown Gap.

Admission is free, but seating is limited. To reserve seats visit [www.TheaterofWarPA.eventbrite.com](http://www.TheaterofWarPA.eventbrite.com).
